

2017 CPHA COMMUNITY HORSE SHOW ASSOCIATION REGISTRATION FORM

The California Professional Horsemen's Association invites local and regional horse show associations to register as a Community Horse Show Association. Registration allows shows sanctioned by your association to offer two of CPHA's medal classes, the CPHA Child Adult and the Horsemanship, thus enabling your competing members to qualify for regionally based CPHA medal finals. Your members, especially professionals, can learn about the valuable benefits of CPHA membership including accident insurance, a benevolent fund aiding professionals in times of need, a scholarship fund, and the ability to use the H2 Visa program so foreign grooms and stable hands can work legally in the United States.

Association Name: _____
