

**Attention All Managers and Show Secretaries**

**2018 Show Season**

**PLEASE REVIEW**

**Please find available forms needed for holding CPHA for Classes at your horse shows on our website at [www.cpha.org](http://www.cpha.org). Tab to horseshow forms and download after show reports as needed. You can also find current membership forms which you can download for your files.**

**Current members are posted as they join. All listed members are current 2018 members. Please make sure the attached current 2018 specifications are in your prize lists .**

**There are some changes so please review. The WCE class may be referred as the WCE in your time schedule but in the prize list should be listed as the CPHA Foundation WCE. The fees to hold our classes are not \$7.00 per rider but you no longer pay the PCHA the \$2.00 fee you have been charged in the past. CPHA members no longer need to be PCHA members to participate in our classes.**

**The WCE qualifiers only go to 5 places instead of 8 and only 6 points are needed to qualify.**

**Thank you very much!!**
