CPHA West Coast Green Hunter 3' & 3'3" Incentive Class Specifications:

- Incentive classes may be held at any USEF Premier, National, Regional I or Regional II hunter competition or any competition that has been approved for a Special Competition status;
- Each Incentive Class must offer a minimum of \$500 in prize money when held at a Premier or National competition and a minimum of \$250 in prize money when held at a Regional I or Regional II competition. Prize money must be paid to a minimum of 10 places as follows: 1st-30%; 2nd-20%; 3rd-14%; 4th-9%; 5th-6%; 6th-5%; 7th-5%; 8th-5%; 9th-3%; 10th-3%. If there are less than 10 entries in the class, prize money must be paid according to the breakdown through the last placing entry. Any remaining prize money not awarded due to less than 10 entries MAY be split and awarded equally to all entrants that place in the class OR not awarded. Additional awards: Ribbons 1 – 10 and a trophy to first place required.
- Incentive Classes are to be held concurrently with the Green Hunter 3' and/or Green Hunter 3'3" Division as one round, using any over fences class as the official Incentive Class; all enrolled & eligible horses are to receive an open numeric score for their performance and will be ranked accordingly amongst all other eligible horses for placings.
- Only one Incentive Class may be held at a given competition, and competitions may offer both fence heights within the same class. Exception: If a competition holds a Green Hunter 3' section plus a Green Hunter 3'3" section, an Incentive Class may be held at each of the two height sections; at no time may the CPHA Incentive Class be combined with any other CPHA Incentive Class (ie, combined with the CPHA 3'6"/3'9" Incentive);
- If a horse show is also offering the USHJA Green Hunter Incentive Class, it is suggested that the CPHA Green Hunter Incentive Class be offered utilizing a difference over fences class so that the same over fences class is not counting towards both Incentives.
- The entry fee charged may not exceed 10% of total prize money offered.
- Horses may be ridden by a professional, junior or amateur.
- There is no limit to the number of horses a rider may compete.

- Only one horse is required to compete for the Incentive Class to be considered held.
- Competition management must report the results of this class separately from the results of the Green Hunter 3' & 3'3" section classes and send a copy of these results to the CPHA & USEF (as part of the official Competition Results).
- No separate fee to the CPHA is necessary for a competition to hold an Incentive Class; however the official Incentive Class Declaration Form must be documented with CPHA no later than 30 days prior to the scheduled class – see www.cpha.org.
- Incentive Classes must be included in the official Horse Show Competition Prize List as “CPHA West Coast Green Hunter 3' & 3'3” Incentive Class” & the Time Schedule (can be shortened to “CPHA Incentive”) & MUST be listed and stated as with either the complete specifications listed OR a notation for exhibitors to consult Incentive Class & Championship specs online at www.cpha.org.
